PRINCIPAL'S CORNER

Welcome back Fruitvale Families!

We hope you had an enjoyable and restful summer. We look forward to working together as partners in learning. Here are some things you can do to help your child at school.

- Make sure your child gets to school every day on time.
- Make homework and reading a priority.
- Communicate any concerns you have with your child's teacher. We want to know.
- Follow our safety expectations for drop off, pick up and check in procedures. Set a good example.
- Volunteer at school. Even if you only have a few hours a month, we can always use your help.

Your positive attitude and involvement make a difference in building a better future for your child. We are ready for another great year.

FRUITVALE RULES

Be safe

Be a learner

Be respectful of self, others, and the
environment.

FROM THE HEALTH OFFICE

MEDICATION: Prescription medication can be given at school only if the parent brings the medication to school in the original pharmacy-labeled container along with a written permission form signed by both the parent and physician, giving information and directions to school personnel administering the medication. The forms are available at the school office and most physicians' offices. Medication taken three times a day, such as antibiotics, does not need to be given at school. They can be given before and after school and before bedtime.

Parking Lot

- Please remember to use the crosswalks.
- Pull forward to the south end of the drop off lane to drop off/pick up your children.
- All children will be directed to walk around the South end of the building to get to the playground and breakfast.

ABSENCES

If your child will be absent, **you must call the attendance line at 254-5930 before 9:00 a.m.** for the absence to be excused. If the office is not contacted the absence will be marked as unexcused.

If calling to change how student is getting home, call at least 30 minutes before school gets out to allow time to call into the classroom and let teacher know.
